

23 March 2020

Dear All Souls St Gabriels School Community,

2020 Centenary Celebrations Postponed

Due to the rapidly changing environment with regard to restrictions on sizes of gatherings indoors, border closures and changes to non-essential domestic travel, the Board of Governors of All Souls St Gabriels School in consultation with the school and Past Students Association regretfully advise that all Centenary celebrations scheduled for 2020 have been cancelled.

Our celebrations were always scheduled for a two year period (2020 and 2021) to acknowledge the establishment of All Souls School and St Gabriels School 100 years ago.

Once new dates in 2021 are secured, the community will be advised.

The school is grateful for all the time and hard work that has gone into preparing for events, however, the safety of our wider school family is paramount.

All monies for ticketed events will be refunded in full. The school will contact those that have already booked to arrange a refund.

For accommodation enquiries, please contact the booking agent Outback Travel Shack on 07 4787 3272. Those that have booked through Tent City Hire, please call Rebecca Whitmore on 0408 151 565.

Thank you for your understanding and ongoing support of the school.

Take care,

Diane Alford
Chairman – Board of Governors

Darren Fleming
Headmaster
