

New Boarder's Orientation Information Session 2021

A program for new boarders and their families

Dear Parents and Guardians,

I invite you to attend our Boarding Orientation Program to be held on Wednesday 27 January 2021, commencing at 1:30 pm. Please sign in at the Main Administration Centre.

If you and your child were unable to attend our Orientation Program in November 2020, I encourage you to attend this program. You'll get all the information you need to help ensure a smooth transition into boarding for your child and your family.

The proposed program and registration form follows. For catering and organisational purposes, families wishing to attend should register in advance by Monday 25 January 2021.

The registration form also contains a section whereby you can request an interview with me, the school nurse or another member of our Senior Leadership Team or administration staff. If your child has any particular medical or other needs, a meeting to discuss how to best support your child would be most helpful. If you would like a meeting with the Headmaster, please contact Mrs Melissa Peace (4787 1433) to make an appointment at a mutually convenient time.

I look forward to seeing you at the Boarding Orientation Program in 2021.

Kind regards

Darren Guldbransen
Head of Boarding
