

2021 – YEARS 11 & 12 – STATIONERY LIST

General Information

- The School issues all students in Years 7 to 12 with a School Student Diary.
- Please ensure all stationery items, scientific calculator, laptop and laptop bag are clearly marked with the student's name.
- The school strongly recommends that students use A4 exercise books for their note-taking (except for mathematics subjects listed below). A separate book should be kept for each subject and may be kept in a ring binder.
Please Note: 5-subject books or similar are not acceptable alternatives.
- General Mathematics, Mathematical Methods and Specialist Mathematics require separate sets of an A4 ring binder, dividers and pads of hole-punched loose leaf lined paper.

Bring Your Own Device (BYOD)

- All students in Years 7 to 12 require a laptop as part of the School's BYOD Program. See our School website for specification details.

Scientific Calculator & / or Graphical Calculator

- All students in Years 7 to 10 require a scientific calculator as part of their general school equipment. The preferred model is Casio fx-82AU Plus II (1st or 2nd edition).
- Some students in Years 11 & 12 will use a scientific calculator in one or more of their elective subjects. See specific subject requirements listed over page.
- Students in Years 10 to 12 may require a graphical calculator for their mathematics subject. See specific subject requirements listed over page.

General Stationery Shopping List

Each student is expected to carry a general set of stationery items (in a pencil case) to use in multiple classes. This will include the following items that will need to be topped up during the school year as required.

- Pencil Case
- 1 x box of HB lead pencils
- 1 x box of 2B lead pencils
- ruler (30cm)
- eraser and pencil sharpener
- red, black and blue biro
- set of highlighters & coloured pencils (set of 12)
- glue stick and sticky tape
- scissors
- stapler and staples
- 2 x USB – 4Gb or greater (for computer backup)
