## ENROLMENT PROCESS:

### ***HOW DOES MY CHILD BECOME A MEMBER OF THE ALL SOULS ST GABRIELS SCHOOL COMMUNITY?***

1. A Parent or guardian makes an initial inquiry to school via letter, phone, email, web or personal visit
2. The school forwards an Application for Entry and Information Pack
3. The Enrolment Officer contacts enquirer to answer any questions
4. The Parent/Guardian returns Application for Entry and a \$50.00 non-refundable Application Administration Fee, along with a copy of the student's last two (2) School Academic Reports, copies of NAPLAN results (where applicable) and a copy of the student's Birth Certificate. We use School Reports to determine whether we can adequately cater for each student (learning support needs, suitable school subjects, etc.) and whether the displayed student behaviour and attendance will allow the student to settle into our school effectively.
5. The School acknowledges receipt of Application for Entry and an assessment of the Application and the student's School Academic Reports is undertaken. Where an Application for Entry has no chance of success, the Application fee will be refunded.
6. The school organises an interview in consultation with Parent/Guardian and informs parent/guardian and student of date and time of the interview, subject to enrolment availability
7. An interview with student and Parent/Guardian, including a tour of the school, is conducted
  - 7.1. School offers (or does not offer) a placement
  - 7.2. If an Offer of Enrolment is made, Enrolment Contract Forms are forwarded to the Parent/Guardian
  - 7.3. The Parent/Guardian may accept the offer immediately or may request time for further consideration
  - 7.4. The Parent/Guardian is contacted by the Enrolment Officer if no reply is received within three weeks and is advised of the current availability of placement
8. If Parent/Guardian wishes to accept the offer, an Enrolment Contract is completed, and a \$150.00 non-refundable Enrolment Confirmation Fee is submitted
9. The School confirms enrolment.
10. Information regarding uniforms, stationery, commencement dates, etc., is forwarded at the appropriate time.

#### ***ONE STEP ENROLMENTS:***

All stages of the Enrolment process can be completed on the same day if required. In this case, the Parent/Guardian should request an interview appointment in advance. All necessary paperwork (copies of birth certificate and recent school reports) must be forwarded to the school well ahead of the interview date.

#### ***ADVANCE ENROLMENTS:***

When a Parent/Guardian wishes to make an enrolment application more than 12 months prior to the student's commencement date, the school will acknowledge receipt of the Application for Entry, but will not request copies of recent school reports until closer to the time of the interview, which will be approximately 8 months prior to the anticipated starting date.

<sup>^</sup> Year 9 & only Terms 1-3 of Year 10. Year 10 students will commence senior studies in Term 4 2020

# Subjects studied by all students in that year level for part of the semester on a rotation basis

Subjects in *italics and bold type* are elective subjects for students in these year levels

\* These subjects/courses only count for one input into the calculation of an ATAR

Although at this point students are concerned with selecting subjects for Years 9 and 10, it is very important for students and their parents to understand that compulsory subjects (English, Mathematics, Science, HASS and Health) will prepare students for the majority of the subjects offered in senior years. In turn, the two electives chosen by students will help them decide which types of subjects they most enjoy. Students tend to do better in subjects they enjoy.

Please refer to the School's **2020 Senior Curriculum Handbook** for details regarding the new Queensland Certificate of Education (QCE) System. This publication includes a double page of information on each senior subject; as well as general information pertaining especially to the senior phase of learning.

The following extracts (ATAR Eligibility, the DTTC Offerings and Other Alternative Courses) are provided as a summary of these curriculum areas.

### **Australian Tertiary Admission Rank (ATAR) Eligibility**

The calculation of an Australian Tertiary Admission Rank (ATAR) will be based on a student's:

- best five General subject results or
- best results in a combination of four General subject results plus an Applied\* subject result or a Certificate III or higher VET qualification.

The Queensland Tertiary Admissions Centre (QTAC) has responsibility for ATAR calculations. Eligibility for an ATAR will also require the satisfactory completion of a QCAA English subject. While students must meet this standard to be eligible to receive an ATAR, it is not mandatory for a student's English result to be included in the calculation of their ATAR.

### **2020 Dalrymple Trade Training Centre (DTTC) Offerings~**

ASSG has been involved with the Dalrymple Trade Training Centre since its inception in 2007. Now up and running since 2014, we have had exciting advancement in RTO (Registered Training Organisations) numbers and certificate offerings.

At this stage of planning, the DTTC is hoping to be able to offer courses in the following industry areas:

- Agriculture
- Automotive
- Construction
- Engineering
- Health
- Hospitality

A core element of the Queensland Government's Working Queensland jobs plan is ensuring Queenslanders have access to quality training programs that deliver effective skills to meet employment and business demands. Vocational Education and Training in Schools (VETiS) is a financial program that supports this aim by the delivery of nationally-recognised qualifications to school students, providing them with the skills and knowledge required for specific industries.

The Department of Education and Training's VET investment budget funds those VETiS qualifications at the Certificate I and Certificate II level which have been identified in consultation with industry, national skills shortages, Queensland Government priorities, and other evidence relating to effective training pathways that support employment.

VETiS funding will only cover the course costs for **ONE** Certificate I or Certificate II course for each child.

There is a school fee of \$250 charged for each VET course taken at the DTTC to cover additional administration and transportation costs.

*~ Please note that some DTTC Certificate courses may have additional fees and equipment requirements ~*

### **Other Alternative Courses**

Additional courses of study are often offered during the Senior Phase of Learning at ASSG. In the past, these have included – First Aide, Workplace Health and Safety, Job Site White Card, Responsible Service of Alcohol (RSA), Provide Responsible Gambling Services (RSG), Food Handling and other subject related VET course/s.

There is also an extensive range of Certificate Courses and extension courses that can inspire students to gain valuable skills for their future pathways. Many of these are offered and completed online. ASSG is committed to assisting students to achieve success in this style of learning. Should parents/caregivers/students find a course which their child is (a) suitably qualified, and (b) is committed to completing, we will work on a case by case basis in catering for individual needs.

There are always new and exciting extension programs that ASSG students undertake. A recent program in which students have succeeded is the CQU (Central Queensland University) SUN (Start Uni Now) Program. Please contact our careers team for further information on this and other opportunities as they are advertised directly to students and parents via email.

## Academic Reporting

The following table shows the change-over of the curriculum in year levels, as well as the academic reporting that will be provided:

It is an *enforced* policy of the School that a student may not take their place at the School at the start of a term where fees for a previous term remain unpaid. ## FREQUENTLY ASKED QUESTIONS:

### ***Will there be activities for my child after school and on weekends?***

The Recreation Officer and staff run activities before school, in the afternoon and the weekends for students of all ages, including recreational activities, club sport, games, dances and camps.

### ***Will the school give my child the skills for a computer-based future?***

The School has a BYOD (Bring Your Own Device) program, ensuring that the school remains at the forefront of technological advancements.

All classrooms are air-conditioned. There are two computer laboratories with 54 computers. One laboratory is used to teach IT subjects and the second is available to teachers who wish to use technology as part of their program for students. The library also contains a small computer room.

Wireless internet is available in all areas of the school, including dormitories.

### ***Does ASSG offer the subject my child needs?***

The School offers a solid core of academic and vocational subjects from Physics and History to Engineering and Agriculture, allowing students sufficient choice to follow their interests, while keeping their options open. The school believes in providing a comprehensive, broad-based education, with both academic and vocational pathways available, including subject offerings from the Dalrymple Trade Training Centre (DTTC) and other RTO's.

### ***Will my child receive extra help, if needed, with their studies?***

The very nature and size of the school means that problems are identified early and teachers have more time to spend with an individual.

Staff in our Ena Eden Centre for Effective Learning provide learning support individually, or in small groups, to those who need more formal assistance. In Secondary, staff from various departments will provide after-school workshops for those who need that little bit extra.

Homework Club is held in the library each afternoon with a teacher on duty to assist any students requiring assistance

Teaching staff are on duty during prep time in the evenings to assist students. Outside specialist assistance is also available if required.

### ***What pastoral support is there for my child?***

Students are encouraged to seek assistance from whomever they feel most comfortable. We believe a caring school environment is founded upon the mutual interaction of groups and individuals with the onus of responsibility upon each for the well-being of the others.

Within this framework, there is a wide variety of people who will provide support – Dean of Students, Year Level Coordinators, Heads of House, School Nurse, Counsellors, teaching staff and Chaplain. The school also has established links with appropriate outside agencies and individuals.

### ***Does ASSG provide large, nutritious meals to cater for growing students?***

Our experienced chef provides three cooked, nutritious and generous meals each day for our growing students. The menu is varied, catering to all tastes and specialty diets, with a hot meal every morning and plenty of fruit available at each meal. Supper is also supplied each evening in the Residential Houses for boarders.

***How secure are the dormitories?***

The Boarding Houses are alarmed at night and locked during school hours. Many staff and their families live in and around the Boarding Houses. Boys' and Girls' Houses are at opposite ends of the campus. All Dormitories are air-conditioned.

***Is the School Nurse available at all times?***

The School runs a clinic and sickbay with 12 beds. Our Clinic Sisters are also involved with our health program. They are available during the day and are on call for residential staff in the evenings. They organise everything from treating cuts and bruises, doctors' visits, prescriptions, administration of medicine, and even urgent specialist appointments if necessary.

Our School Doctor is on campus five days per week.

***Will my child have access to sporting teams and competent coaching?***

The School is a member of the Charters Towers Secondary Sports Association and participates in fixtures each week. The School fields teams in all sports including Rugby League, Swimming, Softball, Cricket, Netball, Cross Country, Tennis and Athletics.

***Are there opportunities for my child to be extended academically?***

The school participates in a wide variety of nationwide and local subject competitions, quizzes, tests and debates. Our staff provide additional guidance and tutoring for enthusiastic students. Our smaller class sizes allow teachers to spend more time with individual students.

***What extracurricular activities does the School offer?***

Extracurricular activities include band, choir, horse club, cattle club, Duke of Edinburgh's International Award, Air Force Cadets and debating club.

Many of these activities encourage students to a contribution to the community.

***May I bring my horse to school?***

Yes – providing he/she can behave! (Conditions apply)

***Who owns the School?***

The School was established by the Anglican Church in 1920. It is now owned by All Souls St Gabriels School Limited and conducted by All Souls St Gabriels School Inc., with a governing body made up of past and present parents and past students.

All Souls St Gabriels School has produced self-reliant young men and women for over 95 years. The smaller class sizes – a maximum of 25 students in the Junior and Senior School – ensures that teachers know each of the students very well. ASSG offers a sound broad-based education with choices for everyone. Both educational and vocational pathways are catered for.

There is a caring family atmosphere with over 80 teaching, boarding and support staff for just over 420 students. ASSG is a friendly environment in the spirit of the bush – friendly, welcoming and hardworking.

ASSG is a safe environment, away from the hurly-burly and temptations of city life, yet in a town whose main industry is education. We have a large campus – over 40 hectares – set on the edge of historic Charters Towers with over 20 adults and their families living on the campus.

The School develops and fosters a sense of community and participation in its students, which they take with them into the community later in life.

# SCHOOL FEES:

## 1. Introduction

All Souls St Gabriels School is an Independent School in the Anglican Tradition, under the general control of the Board of Governors. The management of the School is designated under the School's Constitution.

All Independent Schools receive per capita recurrent State and Federal grants. However, these sources only account for about 41% of income and therefore the School relies on payment of fees by parents in the mission of providing educational excellence.

## 2. Level of School Fees and Charges

Whilst it is the aim of the Board of Governors to set the fees on an annual basis, the Board reserves the right to change fees at any time. Annual fees are detailed in the Schedule of Fees normally issued each December and they remain in force until they are amended on the approval of the Board.

As specified in the agreement signed with the School, fees fall due on the first Friday of each term and are payable in advance.

## 3. Withdrawal of Students and/or Change of Status.

If parents remove a student from the School, you are required to give half of one term's notice in writing to the Headmaster or payment of one-half of one term's tuition fees, except in exceptional circumstances.

## 4. Issuing Accounts

School fee term charges are issued on four occasions throughout the school year no later than the following:

Term One	Five (5) working days prior to Term One Travel Day;
Term Two	Two (2) weeks prior to Term One holidays;
Term Three	Two (2) weeks prior to Term Two holidays;
Term Four	Two (2) weeks prior to Term Three holidays;

## 5. Payment of Fees

A Schedule of fees is issued to all parents/guardians annually and copies of this document are available on request from the School Office.

All school fees are due on the first Friday of the term.

The following discounts shall apply, provided

- a) For fees debited by the start of term

Accounts are cleared by due date;

- OR regular electronic or salary deduction arrangements made and kept, with debt being cleared by term end;

- OR some other payment schedule agreed to by the payer and Business Manager is maintained as agreed and debt cleared by term end.

- b) For fees debited after the start of term, agreed payment terms be complete by the end of the following term.

## 6. Discounts

- a) Staff Discount – staff discount granted pro-rata on Tuition and Boarding Fees.
- b) Sibling Discount - 10% discount on Tuition and Boarding Fees for 2<sup>nd</sup> and 3<sup>rd</sup> siblings. The **fourth** child is 100% discount on Boarding and Tuition Fees. To be eligible for sibling discounts all children must be currently attending the school.
- c) Past Student Discount - 10% discount on Tuition and Boarding Fees. This discount is available to families whose father or mother/grandfather or grandmother attended All Souls St Gabriels School.
- d) Only one of the above discounts can apply to any child at one time.
- e) Full years fees paid in advance – 5% discount will be given (in addition to the above discounts) if payment of four terms fees is made in full by the first Friday of first term (Tuition and Boarding only).
- f) School discounts do not apply where government allowances or scholarships create an excess when these funds are applied to the family school fees. Any excess funding is retained by the school, or the family discount applied is adjusted, so that the result is a zero balance. **All allowances are to be paid directly to the school.**

***IMPORTANT: Any discount shown on the charges summary page will be forfeited, and this amount added to the amount due if payment is not received by first Friday of term or if arrangements for payment have not been made with the Business Manager by that date, and such arrangements adhered to.***

## 7. Action on Overdue Accounts

If the school fees remain unpaid and no special arrangements have been made, the students will be removed from the School and appropriate recovery action commenced.

A late payment fee of \$20.00 per month will apply to all overdue accounts that are not on a payment plan which is maintained according to the agreement.

Discounts will be forfeited for any term where payment is not received by the first Friday of term or arrangements for payment have not been made with the Business Manager by that date, and such arrangements adhered to.

## 8. Arrangements for Deferred Payments

Parent(s)/guardian(s) of students may approach the Headmaster or Business Manager to formalise an arrangement if school fees cannot be paid by the due date. These requests will be treated confidentially and on a case by case basis according to the procedure outlined below. It is the policy of the Board that this procedure be followed. The Headmaster and Business Manager do not have authority to deviate from this procedure without the express consent of the Board.

The initial request by the parent(s)/guardian(s) can be made writing or by telephoning the Headmaster or Business Manager.

The School may then request the parent(s)/guardian(s) to complete an Application for Fees Concession Form and forward it to the School for consideration. The information provided will be treated in the strictest confidentiality. Circumstances will need to be verified.

The Headmaster or Business Manager may allow:

- i. Instalment payments provided agreed arrangements are kept and debt cleared by end of term (end of following term for fees levied after start of term).

- ii. Deferral for a period of time, provided agreed arrangements are kept and debt cleared by end of term (end of following term for fees levied after start of term).

Arrangement other than those above may only be granted by the Board and will only be considered in extreme circumstances. If special arrangements are allowed by the Board, parents/guardians must inform the Business Manager as soon as the circumstances which lead to the granting of the special arrangements change

**9. Change in the Relationship Between Student(s)/Parent(s)/Guardian(s)**

Parent(s)/Guardian(s) must inform the Headmaster if there is a change in their relationship with each other since signing the application form (e.g., divorce or separation). Unless otherwise directed, the Headmaster will require that a new enrolment application is completed by the person who is to assume the obligation of paying the school fees.

All information given to the Headmaster will be treated in the strictest confidence.

**10: Refunds – Excepting in extenuating circumstances**

- a) No refund of School Fees for any absences including late returns, absences during the term, disciplinary suspensions, sick leave, early completion of term or school year (eg. Year 12)
- b) Half of one terms written notice in writing is required when terminating enrolment or half of one terms tuition fee is payable. The Tuition fee includes the IT Levy.

The fee will be calculated by dividing the week of departure into the number of weeks in the term of departure, i.e. if a student leaves in week 4 of an 8 week term, then all fees charged will be calculated at 50%. If a student leaves in week 4 of a 10 week term then 40% of all fees will be charged. If half of one terms written notice is not given then an additional half of one terms tuition fee, only, is charged.

Half a terms notice equates to 4 weeks in an 8 week term, (notice in week 5), 4 weeks in a 9 week term (notice in week 6), and 5 weeks in a 10 week term (notice in week 6).

- c) If a student is asked to leave at the request of the School in the first half of the term, 50% of the term's tuition and boarding fee will be refunded. If asked to leave in the second half of the term, no refunds will be made.
