**WHY SHOULD YOU BECOME A MEMBER OF  
THE  
PAST STUDENTS' ASSOCIATION?**

The All Souls St Gabriels Association is the **representative body of past students of the School**. The Association works with the school to affect (body and soul) education of students. Did you, as a student of the School, experience the benefits on offer from the Past Student Association? Do you believe in and support what All Souls St Gabriels is doing for its students? If so, you should support the Association through membership.

**PLEASE REMEMBER!** The Association - your Association - is kept afloat by the effort of a few members working voluntarily. They deserve your support financially.

**As a member of this Association you will:**

- Be kept up to date with happenings at the School;
- Have contributed to Association initiatives;
- Be able to join the Management Committee and help lead the Past Students of this great School into the future.
- Receive an Association Pin & Information about the Association and the role you can play.

Present and Past Staff & Parents are also encouraged to become members of our Association. The Association is keen to work with the ASSG School community members in assisting the students that currently attend in their education, activities and school life.

**PLEASE JOIN NOW!!-  
Membership: Life: \$200 – Annual \$20.**
