ENROLMENT PROCESS:

HOW DOES MY CHILD BECOME A MEMBER OF THE ALL SOULS ST GABRIELS SCHOOL COMMUNITY

1. Initial inquiry to school via letter, phone, email, web or personal visit
2. School forwards an Application for Entry and Information Pack
3. Enrolment Officer contacts enquirer to answer any questions
4. Parent/Guardian returns Application for Entry and \$50.00 non-refundable Application Administration Fee, along with a copy of the student's last two (2) School Academic Reports, copies of NAPLAN results and a copy of the student's Birth Certificate. We use School Reports to determine whether we can adequately cater for each student (learning support needs, suitable school subjects, etc.) and whether the displayed student behaviour and attendance will allow the student to effectively settle into our school
5. School acknowledges receipt of Application for Enrolment and an assessment of student's School Academic Reports is undertaken
6. School organises interview in consultation with Parent/Guardian and informs parent/guardian and student of date and time of interview, subject to enrolment availability
7. Interview with student and Parent/Guardian, including a tour of school, if not already conducted
 - 7.1. School offers (or does not offer) a placement
 - 7.2. If an Offer of Enrolment is made, Enrolment Contract Forms are given (or mailed) to the Parent/Guardian
 - 7.3. Parent/Guardian may accept the offer immediately or may take forms away for further consideration
 - 7.4. Parent/Guardian is contacted by Registrar if no reply is received within 3 weeks and is advised of current availability of placement
8. If Parent/Guardian wishes to accept offer, an Enrolment Contract is completed and a \$150.00 non-refundable Enrolment Confirmation Fee is submitted
9. School confirms enrolment. Details regarding uniforms, textbook requirements, commencement dates, etc., are forwarded at the appropriate time.

ONE STEP ENROLMENTS:

All stages of the Enrolment process can be completed on the same day if required. In this case, Parent/Guardian should request an interview appointment in advance. All necessary paperwork (copies of birth certificate and recent school reports) must be forwarded to the school well ahead of the interview date.

ADVANCE ENROLMENTS:

When a Parent/Guardian wishes to make an enrolment application more than 12 months prior to the student's commencement date, the school will acknowledge receipt of the Application for Entry, but will not request copies of recent school reports until closer to the time of the interview, which will be approximately 8 months prior to the anticipated starting date.

ABOUT JUNIOR SCHOOL

At All Souls St Gabriels Junior School, we offer a well-rounded curriculum experience based on the Australian Curriculum and the Early Years Learning Framework. We place a strong focus on the explicit teaching of the basic building blocks of literacy and numeracy skills, but also offer opportunities for the children to explore and reach their potential in other curriculum areas. Specialist teachers teach Music (Year 1 – 6), Health and Physical Education (Pre-Prep – Year 6) and German (Prep – Year 6).

Our highly skilled teachers will engage your child in challenging and stimulating learning experiences and provide appropriate intervention strategies to meet each child's learning needs. We value service to others and strive to develop the whole person in mind, body and spirit.

Outside the classroom, the Junior School offers a wealth of extra-curricular experiences for our students. Your child will have the opportunity to join the School Choirs, participate in a variety of Inter-School sports, learn a musical instrument, take part in various exhibitions, performances and competitions and enjoy a variety of activities in The Arts and on the sports field.

Year 6 students are provided with the opportunity to visit the Nation's capital. Linked to the Australian Curriculum, the trip to Canberra provides a stimulating, real-life experience and reinforces the content that is taught in the Year 6 Civics and Citizenship, History, Science and the Arts curriculum.

Children at All Souls St Gabriels Junior School are an integral part of the wider School Community.

ABOUT PRE-PREP – A World of Opportunities

All Souls St Gabriels School understand that families have different needs and expectations when it comes to deciding whether or not to enrol their child into a Kindergarten program. In 2018, All Souls St Gabriels School will be offering two diverse learning opportunities for children, a 3-Day and a 5-Day Program.

Our **5-Day** Kindergarten program provides opportunities for your child to develop and strengthen their foundational skills necessary for success in school. The enriching learning experience will enable children to explore and extend their educational opportunity and gain resilience in readiness for their first year of compulsory schooling.

The **5-Day** Kindergarten program will include specialist subject content, and expand and deepen children's knowledge and understandings based on the Kindergarten Learning Guidelines and the Early Years Learning Framework for Australia.

Our **3-Day** Kindergarten program will provide the opportunity for those families who are not yet ready for their child to attend full-time. The 3-Day program is a distinctive program based on the same core curriculum as the 5-Day program, providing a solid foundation for the child to transition into the 5-Day program if the family chooses.

Both the learning programs are child centred and developed around the children's interests.

The *Core Curriculum areas* include learning in Language & Literacy, Numeracy, Science, Geography, History, The Arts, Technologies in addition to developing the fine and gross motor skills and the social & emotional well-being of each child.

The *Enrichment and Specialist* areas will focus on the Perceptual Motor Program, Language other than English (LOTE) and Music and Movement, accessing the skills and expertise of All Souls St Gabriels specialist staff.

From their first day in Pre-prep through to their graduation, All Souls St Gabriels School offers a diverse range of programs that excite, stimulate and inspire children to engage in lifelong learning.

FREQUENTLY ASKED QUESTIONS:

Will there be activities for my child after school and on weekends?

The Recreation Officer and staff run activities before school, in the afternoon and the weekends for students of all ages, including recreational activities, club sport, games, dances and camps.

Will the school give my child the skills for a computer based future?

In 2016, the School commenced a BYOD (Bring Your Own Device) program, ensuring that the school remains at the forefront of technological advancements.

There are two air-conditioned computer laboratories with 54 computers. One laboratory is used to teach IT subjects and the second is available to teachers who wish to use technology as part of their program for students. The library also contains a small computer room.

Wireless internet is available in all areas of the school, including dormitories.

Does ASSG offer the subject my child needs?

The School offers a solid core of academic and vocational subjects from Physics and History to Engineering and Agriculture, allowing students sufficient choice to follow their interests, whilst keeping their options open. The school believes in providing a comprehensive, broad-based education, with both academic and vocational pathways available, including subject offerings from the Dalrymple Trade Training Centre (DTTC) and other RTO's.

Will my child receive extra help, if needed, with their studies?

The very nature and size of the school means that problems are identified early and teachers have more time to spend with an individual.

Staff in our Ena Eden Centre for Effective Learning provide learning support individually, or in small groups, to those who need more formal assistance. In Secondary, staff from various departments will provide after-school workshops for those who need that little bit extra.

Homework Club is held in the library each afternoon with a teacher on duty to assist any students requiring assistance

Teaching staff are on duty during prep time in the evenings to assist students. Outside specialist assistance is also available if required.

What pastoral support is there for my child?

Students are encouraged to seek assistance from whomever they feel most comfortable. We believe a caring school environment is founded upon the mutual interaction of groups and individuals with the onus of responsibility upon each for the well-being of the others.

Within this framework, there is a wide variety of people who will provide support – Dean of Students, Heads of House and their families, School Nurse, Counsellors, teaching staff and Chaplain. The school also has established links with appropriate outside agencies and individuals.

Does ASSG provide large, nutritious meals to cater for growing students?

Our experienced chef provides three cooked, nutritious and generous meals each day for our growing students. The menu is varied, catering to all tastes and speciality diets, with a hot meal every morning and plenty of fruit available at each meal. Supper is also supplied each evening in the Residential Houses for boarders.

How secure are the dormitories?

The Boarding Houses are alarmed at night and locked during school hours. Many staff and their families live in and around the Boarding Houses. Boys' and Girls' Houses are at opposite ends of the campus. All dormitories are air-conditioned.

Is the School Nurse available at all times?

The School runs a clinic and sick bay with 12 beds. Our Clinic Sisters are also involved with our health program. They are available during the day and are on call for residential staff in the evenings. They organise everything from treating cuts and bruises, doctors' visits, prescriptions, administration of medicine, and even urgent specialist appointments if necessary.

Our School Doctor is on campus five days per week.

Will my child have access to sporting teams and competent coaching?

The School is a member of the Charters Towers Secondary Sports Association and participates in fixtures each week. The School fields teams in all sports including Rugby League, Swimming, Softball, Cricket, Netball, Cross Country, Tennis and Athletics.

Teams are also organised to participate in town sports such as Soccer, Rugby Union, Netball, Rugby Tenz and Touch Football. Our fully qualified PE staff serve as coaches and are supported by numerous teachers and community members who have qualifications and an interest in their chosen sport.

Are there opportunities for my child to be extended academically?

The school participates in a wide variety of nationwide and local subject competitions, quizzes, tests and debates. Our staff provide additional guidance and tutoring for enthusiastic students. This is easy when class sizes are kept to a minimum.

What extracurricular activities does the School offer?

Extracurricular activities include band, choir, horse club, cattle club, Duke of Edinburgh's International Award and debating club.

Many of these activities encourage students to a contribution to the community.

May I bring my horse to school?

Yes – providing he/she can behave! (Conditions apply)

Who owns the School?

The School was established by the Anglican Church in 1920. It is now owned by All Souls St Gabriels School Limited and conducted by All Souls St Gabriels School Inc., with a governing body made up of past and present parents and past students.

All Souls St Gabriels School has produced self-reliant young men and women for over 95 years. The smaller class sizes – a maximum of 25 students in the Senior and Junior School (22 students in Pre Prep) – ensures that teachers know each of the students very well. ASSG offers a sound broad-based education with choices for everyone. Both educational and vocational pathways are catered for.

There is a caring family atmosphere with 80 teaching, boarding and support staff for just over 420 students. ASSG is a friendly environment in the spirit of the bush – friendly, welcoming and hardworking.

ASSG is a safe environment, away from the hurly-burly and temptations of city life, yet in a town whose main industry is education. We have a large campus – over 40 hectares – set on the edge of historic Charters Towers with over 20 adults and their families living on the campus.

The School develops and fosters a sense of community and participation in its students, which they take with them into the community later in life.

SCHOOL FEES:

1. Introduction

All Souls St Gabriels School is an Independent School in the Anglican Tradition, under general control of the Board of Governors. The management of the School is designated under the School's Constitution.

All Independent Schools receive per capita recurrent State and Federal grants. However, these sources only account for about 41% of income and therefore the School relies on payment of fees by parents in the mission of providing educational excellence.

2. Level of School Fees and Charges

Whilst it is the aim of the Board of Governors to set the fees on an annual basis, the Board reserves the right to change fees at any time. Annual fees are detailed in the Schedule of Fees normally issued each December and they remain in force until such time as they are amended on the approval of the Board.

As specified in the agreement signed with the School, fees fall due on the first Friday of each term and are payable in advance.

3. Withdrawal of Students and/or Change of Status.

If parents remove a student from the School, you are required to give half of one term's notice in writing to the Headmaster or payment of one-half of one term's tuition fees, excepting in exceptional circumstances.

- e) Full years fees paid in advance – 5% discount will be given (in addition to the above discounts) if payment of four terms fees is made in full by the first Friday of first term (boarding and tuition only).

IMPORTANT: Any discount shown on the charges summary page will be forfeited and this amount added to the amount due if payment is not received by first Friday of term or arrangements for payment have not been made with the Business Manager by that date, and such arrangements adhered to.

7. Action on Overdue Accounts

If the school fees remain unpaid and no special arrangements have been made, the students will be removed from the School and appropriate recovery action commenced.

A late payment fee of \$20.00 per month will apply to all overdue accounts that are not on a payment plan which is maintained according to the agreement.

Discounts will be forfeited for any term where payment is not received by the first Friday of term or arrangements for payment have not been made with the Business Manager by that date, and such arrangements adhered to.

8. Arrangements for Deferred Payments

Parent(s)/guardian(s) of students may approach the Headmaster or Business Manager to formalise an arrangement if school fees cannot be paid by the due date. These requests will be treated confidentially and on a case by case basis according to the procedure outlined below. It is the policy of the Board that this procedure be followed. The Headmaster and Business Manager do not have authority to deviate from this procedure without the express consent of the Board.

The initial request by the parent(s)/guardian(s) can be made writing or by telephoning the Headmaster or Business Manager.

The School may then request the parent(s)/guardian(s) to complete an Application for Fees Concession Form and forward it to the School for consideration. The information provided will be treated in the strictest confidentiality. Circumstances will need to be verified.

The Headmaster or Business Manager may allow:

- i. Instalment payments, provided agreed arrangements are kept and debt cleared by end of term (end of following term for fees levied after start of term).
- ii. Deferral for a period of time, provided agreed arrangements are kept and debt cleared by end of term (end of following term for fees levied after start of term).

Arrangement other than those above may only be granted by the Board and will only be considered in extreme circumstances. If special arrangements are allowed by the Board, parents/guardians

must inform the Business Manager as soon as the circumstances which lead to the granting of the special arrangements change

9. Change in the Relationship Between Student(s)/Parent(s)/Guardian(s)

Parent(s)/Guardian(s) must inform the Headmaster if there is a change in their relationship with each other since signing the application form (e.g. divorce or separation). Unless otherwise directed, the Headmaster will require that a new enrolment be completed by the person who is to assume the obligation of paying the school fees.

All information given to the Headmaster will be treated in the strictest confidence.

10: Refunds – Excepting in extenuating circumstances

- a) No refund of School Fees for any absences including late returns, absences during the term, disciplinary suspensions, sick leave, early completion of term or school year (eg. Year 12)
- b) Half of one terms written notice in writing is required when terminating enrolment or half of one terms tuition fee is payable. The Tuition fee includes the IT Levy.

The fee will be calculated by dividing the week of departure into the number of weeks in the term of departure, i.e. if a student leaves in week 4 of an 8 week term, then all fees charged will be calculated at 50%. If a student leaves in week 4 of a 10 week term then 40% of all fees will be charged. If half of one terms written notice is not given then an additional half of one terms tuition fee, only, is charged.

Half a terms notice equates to 4 weeks in an 8 week term, (notice in week 5), 4 weeks in a 9 week term (notice in week 6), and 5 weeks in a 10 week term (notice in week 6).

- c) If a student is asked to leave at the request of the School in the first half of the term, 50% of the term's tuition and boarding fee will be refunded and the catering fee will be charged pro-rata. If asked to leave in the second half of the term, only catering will be refunded (pro-rata)
