Why is it important to get your children's teeth checked?

**The mouth is one of the most important parts of the body and
can affect your overall health and well-being **

Attending a dental visit may prevent major dental
problems such as tooth ache.

**The School Dental Service will still be accepting dental
forms up until the 26th of June 2019.**

If you are not covered by the Child Dental Benefits Schedule, your
children are still entitled to **free** dental care up until grade 10.

If you have any concerns or enquiries, please
