## VET (Vocational Education and Training) Courses\*

See the Academic Dean for the latest courses offered in the local region.

1. VET courses are offered by "RTOs" (Registered Training Organisations).
2. There are a number of RTOs who conduct their courses completely "online" – while others offer traditional "on-site" workshop / classroom modes of delivery.
3. Some RTOs are based at the "DTTC" (Dalrymple Trade Training Centre) – a second campus of our school.
4. Government funding known as "VETis funding" (Vocational Education & Training in Schools funding) will cover the course cost for one Certificate I or Certificate II course for school students in their senior phase of learning.
5. Please note that there is an additional school fee of \$250 charged for each "on-site" VET course undertaken at DTTC to cover additional administration and transportation costs associated with the course.
6. Students completing a VET course at the DTTC that requires a full day out of school are required to have Essential English in their school timetable on lines 1&4. The school timetable then allows for the missed school day at DTTC by scheduling 4 of the additional 5 Essential English lessons on the DTTC day. This limits missed school lesson time. Students requiring "General English" for their career pathway will be accommodated with other individual adjustments.

## SUBJECT CHANGE TIMELINES

- Students in Years 7 & 8 follow a set curriculum. Students in Years 9 to 12 are able to consider the possibility of changing a subject during a meeting with the Academic Dean.
- For a subject change to be finalised, students or Parents / Carers must make contact with the Academic Dean by the time and dates listed below.
- These timelines have been set to allow students time to settle into classes for a full semester / senior unit without the disruption of excessive 'class swapping'.
- The impact upon eligibility for the Queensland Certificate of Education (QCE) in Years 11 & 12 is also a major contributor to this set of timelines.

Year	Term 1	Term 2	Term 3	Term 4
9	10.00am Wednesday Week 4	Only changes to English and Maths by 10.00am Wednesday Week 1	10.00am Wednesday Week 1	No changes possible
10	10.00am Wednesday Week 1	Only changes to English and Maths by 10.00am Wednesday Week 1	No changes possible	10.00am Wednesday Week 4
11 2019	10.00am Wednesday Week 2	10.00am Wednesday Week 1	10.00am Wednesday Week 1	10.00am Wednesday Week 4
12 2019	10.00am Wednesday Week 4	Only changes to English and Maths by 10.00am Wednesday Week 1	10.00am Wednesday Week 1	No changes possible

Students new to the College may apply for exemption to these timelines through the Academic Dean. However, the general intent of the timelines will inform and guide decisions. In general terms, Week 4 of the new student's first term would be the deadline for any change.

## YEARS 11&12 'STUDY LESSON'

A Year 11 or 12 'Study Lesson' is only offered to students in the following categories:

- Students undertaking a VET Certificate II (or higher) course online.
- Students undertaking one-day per week Work Placement or on-the-job training for Apprenticeship / Traineeship.
- Overall Position (OP) eligible Year 12 students in 2019 are able to apply for a 'Study Lesson'. The opinions of subject teachers and the Year Co-ordinator will be sought before the Academic Dean makes a recommendation to the Headmaster for the 'Study Lesson' to be granted or rejected.
